

# ESSENSOS PVT. LTD.

Powering Smart Industries with Intelligent Automation

[WWW.ESSENSOS.IN](http://WWW.ESSENSOS.IN)

# WHO WE ARE

Essensos is a next-gen automation company delivering smart, reliable solutions to optimize industrial efficiency and performance.

Essensos Private Limited is redefining the future of industrial automation. As a next-generation electrical automation company, we deliver intelligent, end-to-end solutions that drive efficiency, minimize downtime, and boost productivity. From concept to commissioning, our cutting-edge systems are built to meet the dynamic demands of modern industries - combining innovation, precision, and reliability to power seamless industrial transformation.

# MISION

We aim to deliver world-class automation systems and electrical solutions that drive operational excellence, continually innovate with cutting-edge technology, and build lasting client partnerships through exceptional service and support.

# VISION

To be a trusted leader in industrial automation by delivering innovative, sustainable, and future-ready electrical solutions that empower industries to reach their highest potential.

# CORE VALUES

We embrace innovation, uphold integrity, deliver scalable, high-quality solutions, stay customer-focused, and prioritize safety and sustainability in every system we design.

# HIGHLIGHTS

At Essenos, numbers tell a story of growth, trust, and commitment.

Unwavering  
Service Excellence

**50+ Team**

Skilled  
Professionals

**14+ Allies**

Strategic Industry  
Collaborations

**120+ Clients**

Clients Across  
Industries

# OUR STRATEGIC PRIORITIES

## Client Focused

Understand needs, deliver tailored solutions, ensure dependable support.

## Digital Transformation

Leverage digital tools and analytics for real-time monitoring, predictive maintenance, and enhanced decision-making.

## Operational Excellence

Optimize processes for efficiency, safety, and timely delivery.

## Quality & Compliance

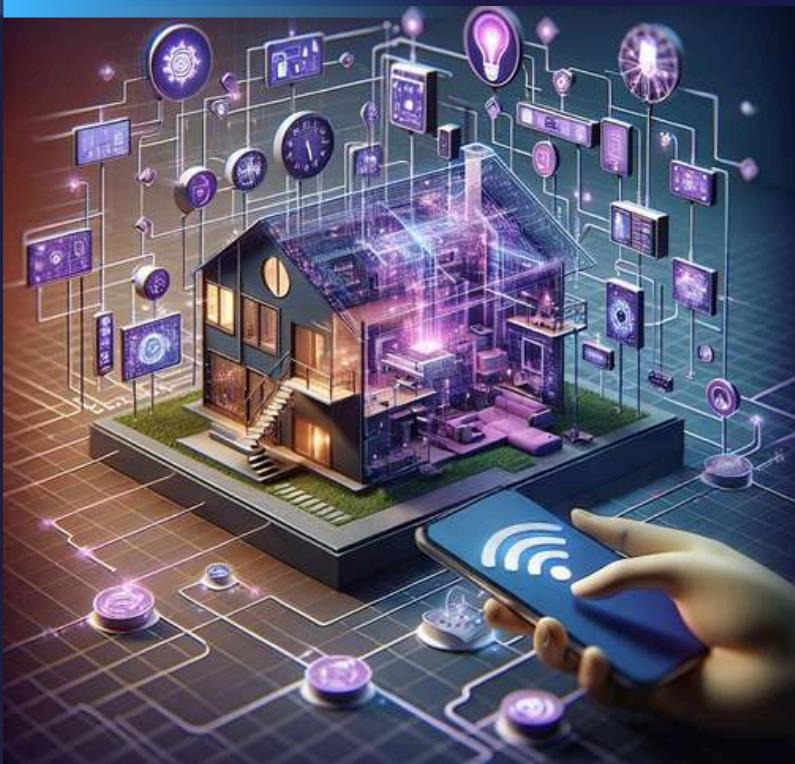

Adhere strictly to international standards and industry regulations to ensure safety and performance.

# OUR SERVICES

## BUILDING AUTOMATION

Automated control of lighting, HVAC, access & energy to boost comfort, efficiency & sustainability

## INDUSTRIAL AUTOMATION

Automated control of lighting, HVAC, access & energy to boost comfort, efficiency & sustainability

## ENERGY AUTOMATION & SMART GRID

Smart grid and energy management for reliable, efficient, and intelligent power distribution.

## GRADE A WAREHOUSING

Smart, scalable Grade A warehouses with automation for efficient logistics and inventory

# OUR SERVICES

## ELECTRICAL PANEL DESIGN & FABRICATION

Design and fabrication of quality panels for safe, efficient, and reliable power distribution.

## SMART HOTELS OF THE FUTURE

IoT and automation for smart rooms, energy savings, and elevated guest experiences.

## OPERATIONS & MAINTENANCE

Reliable O&M services for consistent performance and longer life of electrical systems.

## TURNKEY PROJECTS

Turnkey solutions from design to commissioning - on time, on budget, and hassle-free.

# WHAT ELSE WE OFFER

Continuous innovation to improve performance, efficiency, and future -ready automation solutions.

Support with technical documentation, certifications, and regulatory compliance for smooth audits and handovers.

Dedicated post-installation support and Annual Maintenance Contracts for uninterrupted operations.

Hands-on training and technical workshops to empower your team with operational excellence.

# BUSINESS DOMAINS WE OPERATE IN

At Essensos, we deliver cutting-edge electrical and automation solutions across a wide spectrum of industries. Our expertise ensures enhanced efficiency, safety, and scalability for every client.

Manufacturing

Oil & Gas

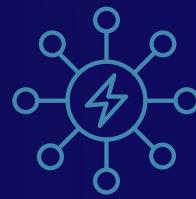

Pharmaceuticals

Food & Beverage

Water &  
Wastewater

Power & Utilities

Automotive

Cement & Steel

Mining
